

# SWASFT Preceptorship on ParaFolio

The **SWASFT ParaFolio Preceptee Module** is tailored to enhance your professional development journey. With the Preceptee Module, you can effortlessly submit your evidence, receive constructive feedback and engage with your Preceptor. This intuitive tool allows you to track your progress, access valuable resources, and gain approval on your submissions, all in one convenient place.

- **Upload, manage, and submit evidence:** Easily handle all your progress check submissions.
- **User dashboard:** Track your competencies and progress in real-time.
- **Reflective learning:** Use the Confidence levels self-assessment to reflect on your growth.
- **CPD portfolio management:** Save and export evidence for audit purposes.
