## SWASFT ParaFolio Preceptor App

The **SWASFT ParaFolio Preceptor App** is specifically designed to empower preceptors in supporting preceptees on their professional journey. With the Preceptor App, you can seamlessly engage with preceptees, share valuable evidence, provide insightful comments and approve their submissions with ease.

- **Effortless Assignment:** Easily assign and de-assign preceptees.
- **Comprehensive Overview:** View all preceptee statuses and evidences.
- **Streamlined Progress Checks:** Administer Progress Check submissions effortlessly.
- **Interactive Communication:** Send and receive comments within Progress Checks.

**Click to watch the  
Overview**

Download the **ParaFolio Preceptor App** from your preferred app store and Log in using your trust email address and password that you use for ParaPass and JRCALC Plus. Alternatively, access the web version via <https://mentor.paraportfolio.co.uk>

You will be taken to your dashboard, where you'll find a list of your preceptees. Watch the above overview video for more information.
